Important Dates For you Diary

To all our children and their families.

My staff and I would like to thank you for your support and understanding through what has been a very strange year and a half. In this time we have been closed, partially open, and fully open following stringent government guidelines. We have sadly said goodbye to some staff members, but those of us still here are still smiling, and your children are still learning!

Apologies that we haven't sent out our usual Newsletters as the terms have been so disrupted. However, now things are starting to look more positive, we can start finding our new normal.

This half of the summer term, we will continue to help your children to grow in confidence, and gain their own independence so that those children that go to school are ready, and those staying have good grounding ready for September.

Last week Mrs Vincent talked to the children and practiced road safety, the main words for this, STOP, LOOK & LISTEN we hope you will continue this when you are out and about.

Please do check your child's Tapestry Journal for more information on what your child is learning, if you have any problems accessing this, let us know.

On Friday the children made St George's Flags to celebrate the start of the Euro's.
COME ON ENGLAND!!

This week the children are making a special something for Sunday, make sure to keep this secret till then.

We have bought caterpillars from Insect Lore, the children are enjoying watching them grow, and are learning about their life cycle, in a few weeks they will be able to release them and watch them fly away.

Kind Regards

Carolyn Fielder

Preschool Manager

Week commencing 21st June

The children will be taking part in our Sponsored Ball Toss. Please help to support us by sponsoring your child. A sponsor envelope has been sent home, if you have lost yours, please let us know.
