Over the Summer Term

For the children going to school, we will be starting to talk about going to school, having school dressing up. Your support at home, in helping children to dress and undress independently, especially their shoes and socks.

Hallett Photography will be in on Friday 20th May to take a whole group photo, if your child does not normally attend, please bring them into preschool for 9am. The photo will only take 10 minutes.

We will be having caterpillars and watching them grow and turn into butterflies.

For the Queens Jubilee we will be talking about the Queen and making Crowns in celebration.

We have a couple of visitors coming into preschool, we have a PCSO to talk to the children, and we are having a healthy heroes workshop. We will share the information from these visits with all the children.

After 10 years at Little Saints, I have made the sad and difficult decision to move onto a new challenge. My last day with Little Saints will be Thursday 26th May. I am going to miss everyone, and would like to thank Carolyn & the staff for being so awesome. The children past & present have given me such wonderful memories that I will treasure.

Kind Regards
